People use a lot of sugar. Not just
white sugar but brown sugar. People use
a lot in life. Each year they
grow millions of pounds. Farmers grow
in areas that are easy for growing
crops and sugar plants.

While working on the "ABC's of Michigan- Many Ways of Learning," I learned that Wyoming, Traverse City and Lansing all became my favorite cities in many different ways. Like Wyoming, Wyoming is my hometown. I have lived there many times. I like Traverse City because it is almost like fruit mania. They grow fruits and also vegetables. Lansing is our capital city. Lansing has many streets that go only one way and only have five lanes. Wyoming, Traverse City and Lansing are all my most favorite cities.

While working on the "ABC's of Michigan- many ways of Learning" I learned that Detroit is a big part of Michigan. Before it was our former capital. It is the Motor City because cars just go and go and go 24 hours 7 days. I lived there. Our state mammal is a white tail deer. And our state bird is a red robin. And indians would trade the french for food. Finally Kellogg Cereal boxes are made in battle creek.
